IF YOU'RE LOOKING TO invoice at the **Division ID** level, this package is for you.

YOU LIKELY HAVE:

✓ A single Customer ID *with one or more Divisions and/or Divisions/Departments*

✓ One address for invoice per Division ID

OR

✓ Several Customer IDs *with one or more Divisions and/or Divisions/Departments*

✓ Invoicing by Division ID

YOU WILL RECEIVE:

✓ Reporting by Customer ID – which groups your Division IDs

✓ A single invoice per Division ID delivered to the Division ID address

---

If you require each division per Customer ID to receive its own invoice, select this package to receive the following:

INVOICE DESCRIPTION

- Single Customer ID, unique invoice number for each unique Division ID, single physical delivery address per division invoice (option for email delivery to multiple contacts) with divisions/departments enabled.
- There is a unique invoice number for each unique division within one Customer ID.
- Each division invoice will have its own "Bill To" mailing address (option for email delivery to multiple contacts).
- All division-/department-level billing activity for each unique division is included on a single invoice.
- Mailed invoices will be grouped ONLY by identical address. No summarization or grouping together of invoices with a different (physical) address.
- If a customer requires division-level invoicing to be delivered to the same physical address, the division "Bill To" addresses need to be exactly the same for all divisions.
- Each email address will receive all division invoices within a Customer ID.

INVOICE GATEWAY

- One centralized admin
- Ability to add multiple users
- Print and data export capabilities can be restricted by user
- Ability to make or view payments can be restricted by user
- Payment management: ability to create multiple payment accounts, checking (ACH) and/or credit cards
- Ability to restrict user access to view, print and download invoices and invoice reports by Division ID

OPTIONAL REPORTS

- Department-level reporting (Totals Report, Billing Activity Report: billing activity summarized for each Department)
- Division-level reporting (Totals Report)
- Customer-level reporting (Customer Activity Report: billing activity summarized for the Customer ID)
- Detailed Transaction Report for each division/department (fees may apply)
